

## Marie Curie Individual Fellowships - expression of interest for joint applications

The [Marie Skłodowska-Curie Actions - Individual Fellowships](#) (MSCA-IF) are prestigious fellowships funded by the European Commission. The [UNEP DTU Partnership](#) at Department of Technology, Management and Economics, Technical University of Denmark (DTU), invites expressions of interest from postdoctoral researchers with an excellent track record of research and publications to jointly apply for an MSCA-IF to be hosted within the department.

Expressions of interest aligned with the following research themes and supervisors are welcome:

### Sustainability impact assessment

- Analyzing sustainable development impacts of electric vehicles for urban transport in Asia and Africa (Subash Dhar, [sudh@dtu.dk](mailto:sudh@dtu.dk))
- An absolute approach to assessment of sustainability and health impacts of policies and actions in the Global South (Gerardo Sanchez Martinez, [gsama@dtu.dk](mailto:gsama@dtu.dk))
- Hotspot analysis of climate risks and associated vulnerabilities and exposures in the Global South (Henry Neufeldt, [hneu@dtu.dk](mailto:hneu@dtu.dk))

### Sustainable transition

- Renewable energy as a pathway to sustainable industrialization in Africa (Ulrich Elmer Hansen, [uleh@dtu.dk](mailto:uleh@dtu.dk))
- Community engagement in renewable energy projects in Sub Saharan Africa (Jay Sterling Gregg, [jsg@dtu.dk](mailto:jsg@dtu.dk))
- Firm perspectives on circular bio-economies in the Global South (Simon Bolwig, [sibo@dtu.dk](mailto:sibo@dtu.dk))

### Expressions of Interest should include:

1. Your CV including a full list of publications, research grants and projects
2. A max 2-3 pages Research Proposal Summary aligned with one or more of the above stated themes
3. A max 1-2 page motivation letter

We encourage applicants to contact the relevant supervisors prior to developing proposals in order to align with supervisors visions for the research theme.

### Eligibility criteria

1. Candidates must be in possession of a doctoral degree (PhD) or have at least four years of full-time equivalent research experience at the deadline (09/09/2020) for the submission of proposals to the European Commission
2. Eligible researchers can be of any nationality and must not have resided or carried out their main activity (work, studies, etc.) in Denmark for more than 12 months in the 3 years immediately before the call deadline (09/09/2020).

The selected candidates will be supported in the development of their project proposals that must be submitted to the European Commission by 9 September 2020 - h. 17.00 CET.
