Introducing the Sustainable Development Initiative (SDI)

Karen Holm Olsen, UNEP DTU Partnership

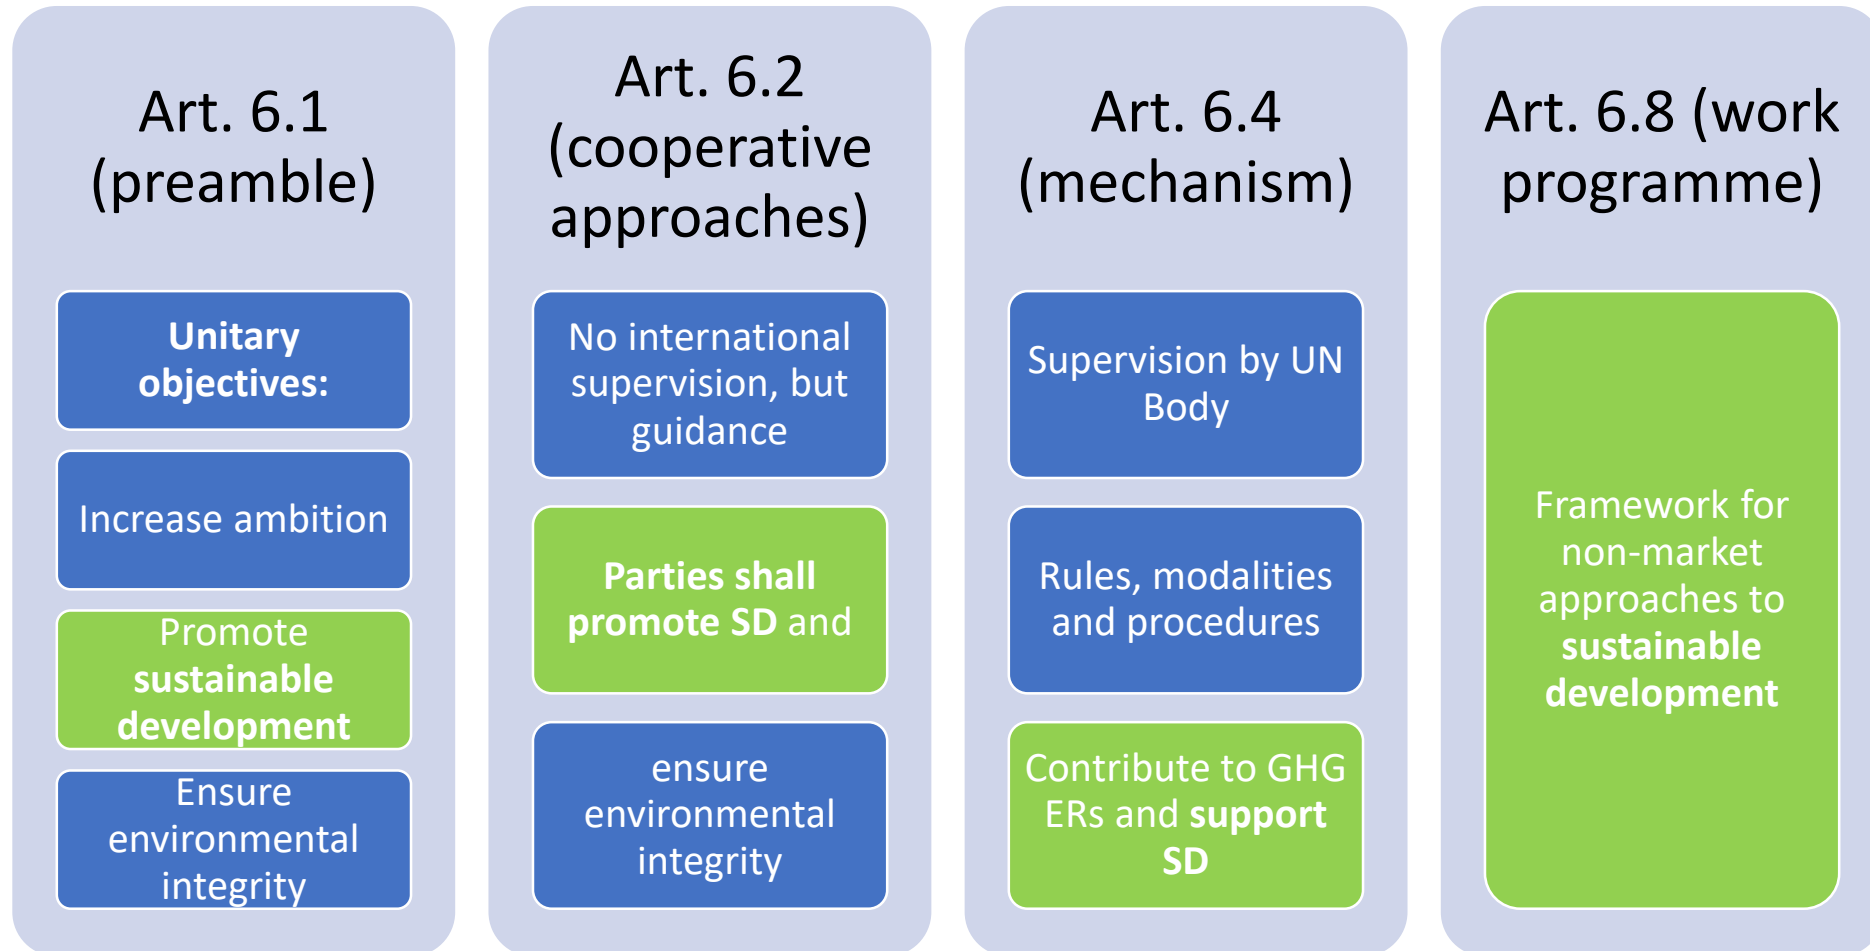

The Sustainable Development Initiative (SDI) for Art. 6 aims at promoting strong provisions on sustainable development in the rulebook of Art. 6. The initiative is a collaboration between UNEP DTU Partnership and the Gold Standard Foundation launched in 2017 and supported by Belgium, Finland, Germany, Norway and Sweden in 2020.

Views stated are those of the presenters and do not represent any consensus among the Parties involved.

Objective of the Sustainable Development Initiative (SDI)

“A Party driven dialogue with the aim to help overcome knowledge and political barriers for Parties to promote sustainable development through voluntary cooperation under Article 6”
